MOOD PLUS
ENHANCED NEUROLOGICAL AND NERVOUS SYSTEM SUPPORT*

Physician Designed To Assist With:
■ Mood Stability  ■ Nervousness
■ Relaxation  ■ Sleep Patterns
■ Stress Levels  ■ Cognitive Performance

MoodPlus™ features a carefully formulated combination of nutrients that function as neurotransmitters to support the overall nervous system and promote a healthy mood. Ingredients such as SAMe, Magnesium, 5-HTP, GABA and Chamomile are included to provided the appropriate cofactors for delivery and nervous system support.*

5-HTP and GABA have shown in research studies to enhance endorphin levels and result in a mood lightening effect as well as a calming effect.*
